

## Small Group Tutoring Program 2022-2023

Information and Rates	Master Schedule																																																																																																																			
<p>Weekly math/science help in which 2-3 students meet with one of our remarkable certified teachers. Program fees are due the first week of each month and there is no sign-up fee or contract. If students do not wish to continue, they may cancel at any point before the next month begins. We cannot hold a spot if a student wishes to skip a month. Rates stay consistent month to month because the price is based on 33 tutoring weeks in the school year divided out evenly.</p> <p style="text-align: center;"><i>Monthly rates are as follows:</i></p> <p style="text-align: center;">\$140--7<sup>th</sup>/8<sup>th</sup> grade, Alg 1, Alg 2, Geom, Chemistry \$160--Precal, Physics, Stats, Calculus</p> <p>If choosing ONLINE tutoring, subtract \$10/month from the above tuition rates. If your family signs up for more than one class per week we take 10% off the total each month.</p> <p>If a make-up session is needed due to a student absence, we offer ONE small group make-up session for free each month. These will be held online Thursday nights and must be scheduled in advance. If you prefer a private make-up session, that can be scheduled/paid directly with your child's tutor. (\$25/half hour or \$50/hour)</p> <p>If an EXTRA private session is desired beyond the weekly small group, take 10% off the private rates listed on the right and schedule/pay directly with your child's tutor.</p> <p>Small Group Tutoring begins the week of <b>September 5<sup>th</sup></b> and will meet every week during the school year except for the following:                      Thanksgiving Break (Nov 21-24)                      Christmas Break (Dec 19-Jan 5<sup>th</sup>)                      Spring Break (March 13-16)</p>	<p>This schedule is subject to change based on demand and registration for groups will be available to current clients online beginning Thursday Aug 4<sup>th</sup> (It will then open to the public Sunday, Aug 7<sup>th</sup>.)
